Basis of the report ı.

The basis of international preliminary examination report is the application as originally filed.

Reasoned statement under Rule 66.2(a)(ii) with regard to novelty, inventive step or ٧. industrial applicability

In light of the documents cited in the international search report, it is considered that the invention as defined in the claims meets the criteria mentioned in Article 33(1) PCT, i.e. it appears to be novel and to involve an inventive step.
